

Range of services:

EPC - Design, Engineering, Manufacturing, Retrofit, Supply & commissioning of plant & mechanical machinery on turnkey basis for Cement Plant & Projects

- Process Design, Plant Equipment Design, Erection, Commissioning etc. for Cement & Allied Industries
- Proposal preparation & Estimation of project cost
- Equipment design and process design
- Plant & Process Engineering
- Process optimization study
- Selection of vendors for the specific duty requirements

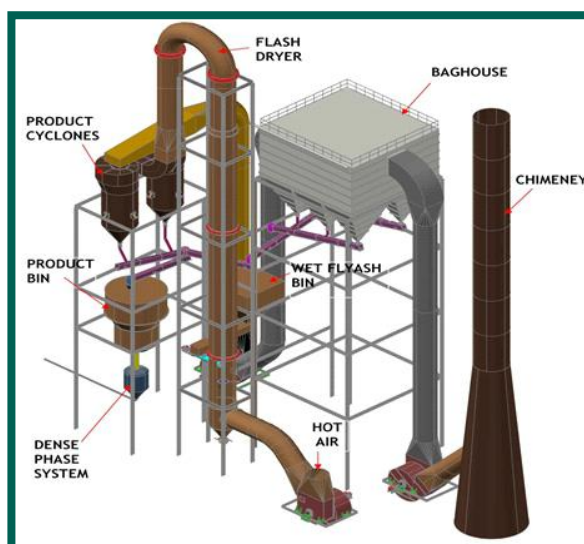

Design & Engineering Services, Equipments for Cement and other Allied Industries:

- High Efficiency Dynamic Separators
- Static (V) Separator
- Flash Drier System
- Cyclones
- Process Fans
- Process Bag Filters
- Other Auxiliary Equipments - Air Slides / Flap valves / Gates / etc.

Fabrication work:

Our major activities in the field of Heavy steel Fabrication, Machining and supplying of Machineries, Critical machinery Spares like Kiln Shell, Mill Shell, Grate cooler, PH Cyclones, Fan casings, Stacks, Sheds, Material Handling Equipments , Industrial process equipment, Separators, Cyclones, Diverting gates, Flap valves, Dampers, Ducting and Testing/ Inspection as per the relevant standards, sand blasting, Painting and Packing

CUSTOMER	LOCATION	DESCRIPTION
National Cement Company Ltd.	Uganda	Design,Engineering,Supply of Static & Dynamic Separator for cement mill circuit.
Cladius Peters India Pvt. Ltd.	Jhagadia	Design, Engineering, Manufacturing & Supply of Dynamic separator for Plaster Grinding Bowl Mill
Asian Cements Ltd., Emriates Cement India Pvt. Ltd.		Design,Engineering,Supply of Dynamic Separator for cement mill circuit. Design,Engineering,Supply & Services of Dynamic Separator for White Cement Mill circuit.
FLSmith Private Limited. (Project – Zuari Cements Ltd)	Cochin	Engineering & Supply of Structural Steels & erection of Mechanical Equipments for Cochin port Cement bagging facility
PT Indocement Tungal Prakarsa Tbk	Indonesia.	Design,Engineering,Supply,Dismantling,Erection & Commissioning of P4b – Cement mill circuit upgradation on turnkey basis.
AMCL Machinery Limited,	Mumbai	Design,Engineering,Supply & Services of Static & Dynamic Separator for VRPM Cement Mill circuit.
Adhunik Cement Ltd, Volta Impex Pvt. Ltd	Kolkata Togo	Design,Engineering for Hot Air Duct Modification. Manufacturing & supply of V-Separator Drying System for Lime Stone before Raw Mill Circuit.
Dangote Cement PLC	Benue Plant	Design, Pre-Engineering, Detail Engineering, Supervision of Erection & Commissioning, Manufacturing and Supply of Auxillary equipemnts for 335 t/h Cement Grinding Project.
Heidelberg Cement India Limited	Damoh	Design & Engineering, Supply, Fabrication and Erection of Pyro Process Line # 2 . Calciner & other Modification for their unit at Diamond Cements – Damoh (MP).
Benue Cement Company PLC,	Nigeria	Design and Engineering, Manufacturing and Supply of High efficiency separator parts and auxiliaries & Electrical and Instrumentation for Cement Mills No.1 & 2
Deccan Chromates Ltd, Super Cement Manufacturing Co LLC, PMT Zyklontechnik Asia Sdn Bhd.,	Hyderabad Abu Dhabi Malaysia	Design and Engineering for Coal mill Grinding circuit for Chromate plant Design and Engineering for 120 TPH Granulated blast furnace Slag grinding unit Design & Engineering and Supply of High Efficiency Dynamic Separator for Raw mill.
Chettinad Cement Corporation Ltd.,	Puliyur	Design & Engineering for Hot gas facility for Coal mills from Preheater fan
